BioMed Independent Research Course
Course Syllabus Fall 2018

Instructor: Prof Julie Mustard  
Office: LHSB 2.814A
Email: julie.mustard@utrgv.edu  
Phone: 882-5869

Office Hours: Mon 4:00 – 5:00 pm; Tues 11 am – 1 pm; Thurs noon – 1:00 pm and 3:00 - 4:00 pm; or by appointment. You do not need to make an appointment to see me during my posted office hours, just show up and I will be happy to talk with you. If you need to meet at another time, please do not hesitate to contact me to determine another time to meet.

Communication via email: Due to privacy issues, you need to email me using your official UTRGV email account. I will not respond to emails from other accounts (gmail, yahoo, etc.). I will do my best to answer email promptly, but this may take up to two working days. (If you haven’t heard back in two days, please send a new message, call or come to office hours.) Remember to put “Bio 4361” or “Neuro” in the subject line to make sure the message doesn’t end up in the junk mail folder. Also, please use correct grammar (complete sentences, etc.) when communicating and not “txtese”. If you have lengthy and/or complicated questions, you are much better off coming to see me at office hours than trying to get an explanation via email.

Time commitment: The definition of a unit of credit requires 3 to 4 hours of work each week for every unit of credit. This is a 3 unit course, therefore you should expect to be spending 9 to 12 hours each week on research related work (working on your project in the lab, reading research papers, attending lab meeting, etc).

CONDUCT
Students (and the instructor too) are expected to treat each other with respect. Students that are acting in a disruptive, disrespectful or aggressive manner will be dropped from the course.

ASSESSMENT AND GRADES
Students enrolled in the course are required to:
1) Attend weekly lab meetings
2) Engage in research for the appropriate number of hours
3) Write a project summary describing their research project, results and conclusions at the end of each semester for which they are enrolled. These reports are sent to the BioMed Department.

Grades are dependent on completion of requirements and engagement in the research project.

SCHOLASTIC INTEGRITY: As members of a community dedicated to Honesty, Integrity and Respect, students are reminded that those who engage in scholastic dishonesty are subject to disciplinary penalties, including the possibility of failure in the course and expulsion from the University. Scholastic dishonesty includes but is not limited to: cheating, plagiarism (including self-plagiarism), and collusion; submission for credit of any work or materials that are attributable in whole or in part to another person; taking an examination for another person; any act designed to give unfair advantage to a student; or the attempt to commit such acts. Since scholastic dishonesty harms the individual, all students and the integrity of the University, policies on scholastic dishonesty will be strictly enforced (Board of Regents Rules and Regulations and UTRGV Academic Integrity Guidelines). All scholastic dishonesty incidents will be reported to the Dean of Students.

UTRGV POLICIES

STUDENTS WITH DISABILITIES: Students with a documented disability (physical, psychological, learning, or other disability which affects academic performance) who would like to receive academic accommodations should contact Student Accessibility Services (SAS) as soon as possible to schedule an appointment to initiate services.
Accommodations can be arranged through SAS at any time, but are not retroactive. Students who suffer a broken bone, severe injury or undergo surgery during the semester are eligible for temporary services.

**Pregnancy, Pregnancy-related, and Parenting Accommodations**
Title IX of the Education Amendments of 1972 prohibits sex discrimination, which includes discrimination based on pregnancy, marital status, or parental status. Students seeking accommodations related to pregnancy, pregnancy-related condition, or parenting (reasonably immediate postpartum period) are encouraged to contact Student Accessibility Services for additional information and to request accommodations.

**Student Accessibility Services:**
**Brownsville Campus:** Student Accessibility Services is located in Cortez Hall Room 129 and can be contacted by phone at (956) 882-7374 (Voice) or via email at ability@utrgv.edu.  **Edinburg Campus:** Student Accessibility Services is located in 108 University Center and can be contacted by phone at (956) 665-7005 (Voice), (956) 665-3840 (Fax), or via email at ability@utrgv.edu.

**COURSE DROPS:** According to UTRGV policy, students may drop any class without penalty earning a grade of DR until the official drop date. Following that date, students must be assigned a letter grade and can no longer drop the class. Students considering dropping the class should be aware of the “3-peat rule” and the “6-drop” rule so they can recognize how dropped classes may affect their academic success. The 6-drop rule refers to Texas law that dictates that undergraduate students may not drop more than six courses during their undergraduate career. Courses dropped at other Texas public higher education institutions will count toward the six-course drop limit. The 3-peat rule refers to additional fees charged to students who take the same class for the third time.

**SEXUAL HARASSMENT, DISCRIMINATION, and VIOLENCE:** In accordance with UT System regulations, your instructor is a “Responsible Employee” for reporting purposes under Title IX regulations and so must report any instance, occurring during a student’s time in college, of sexual assault, stalking, dating violence, domestic violence, or sexual harassment about which she/he becomes aware during this course through writing, discussion, or personal disclosure. More information can be found at www.utrgv.edu/equity, including confidential resources available on campus. The faculty and staff of UTRGV actively strive to provide a learning, working, and living environment that promotes personal integrity, civility, and mutual respect that is free from sexual misconduct and discrimination.

**MANDATORY COURSE EVALUATION PERIOD:** Students are required to complete an ONLINE evaluation of this course, accessed through your UTRGV account (http://my.utrgv.edu); you will be contacted through email with further instructions. Students who complete their evaluations will have priority access to their grades. Online evaluations will be available on or about: November 15 – December 5

**STUDENT SERVICES:** Students who demonstrate financial need have a variety of options when it comes to paying for college costs, such as scholarships, grants, loans and work-study. Students should visit the Students Services Center (U Central) for additional information. U Central is located in BMAIN 1.100 (Brownsville) or ESSBL 1.145 (Edinburg) or can be reached by email (ucentral@utrgv.edu) or telephone: (888) 882-4026. In addition to financial aid, U Central can assist students with registration and admissions.

Students seeking academic help in their studies can use university resources in addition to an instructor’s office hours. University Resources include the Learning Center, Writing Center, Advising Center and Career Center. The centers provide services such as tutoring, writing help, critical thinking, study skills, degree planning, and student employment. Locations are:
- Learning center: BSTUN 2.10 (Brownsville) or ELCTR 100 (Edinburg)
- Writing center: BLIBR 3.206 (Brownsville) or ESTAC 3.119 (Edinburg)
- Advising center: BMAIN 1.400 (Brownsville) or ESWKH 101 (Edinburg)
