**Learning Objectives/Outcomes for the Course**  
The Biochemistry Laboratory is designed to give you hands-on experience with laboratory techniques used in Biochemistry. Upon completion of this course you should be:

1. Knowledgeable in the design, execution, and scientific reporting of experiments conducted in a Biochemistry laboratory.
2. Able to properly document your activities and results
3. Able to analyze and communicate the significance of data collected in your laboratory activities. This includes the proper use of statistical analysis where appropriate.
4. Able to use such resources as PubMed to find scientific literature, and to read, understand and cite it.
5. Able to perform techniques and use appropriate instrumentation associated with the investigation of biomolecules.

**Grading Policies**  
Your final grade will be determined by:

1. Group write up- 20% (DNA purification, PCR, and agarose gel analysis)
2. Group write up- 20% (Enzyme Kinetics)
3. Group write up: 10% (all other labs combined)
4. Individual lab book: 10%
5. Quizzes: 10% (may be combined with individual lab book)
6. Final comprehensive exam: 30%

The grading scale is as follows:

- 100-90 = A
- 80-89 = B
- 70-79 = C
- 60-69 = D
- 59 and below = F

Make-up Examinations: ONLY for official university events such as a member of the band for a concert or an athlete for a contest or an approved holy day or with a medical. A makeup exam will NOT be given for ANY other circumstances. Note: a grade of zero will be recorded for any missed exams or lab reports.

**Group/individual work:** Scientific work is being done increasingly in groups and students need to gain experience working in teams to gain confidence and to learn how to play the roles of team members. We will be working both in small groups and singly to ensure that certain objectives are met.

Other Course Information

Due date for Lab reports: To be announced in class.

Instructions for pre-lab preparation and format for writing lab reports:

1) Obtain a bound notebook for use for pre-lab preparation, outlining/flowcharting lab experiments (before the lab is performed) notes on additional background information, recording observations and lab data during the lab period. This will serve as the resource from which you will write lab reports that will be turned in.

2) Number the pages in the notebook and include a Table of contents for easy referencing.

3) The notebooks will be checked periodically for a grade.

4) Prepare before the lab starts, any tables etc. that will be required for easy data collection.

5) Lab reports are to be written in the format of a research publication presented in a separate handout. Please follow the format carefully. The reports should be typewritten and graphs prepared using graphical analysis programs.

Attire in the lab: Students ARE REQUIRED TO WEAR SAFETY GOGGLES AND LAB COATS AT ALL TIMES

Safety in the Lab: Please see separate Safety Handout

Locker Assignment and Check-in: Make sure that everything is present and in good condition. Any dirty or broken/cracked items should be ‘swapped out’ at the Stockroom window (Rm. 3.218)

Schedule: please see attached for Tentative Class Schedule and Blackboard for the most up to date Schedule

Lab reports: please see separate handout

Appointments: If you can demonstrate to me that you cannot meet during my Office Hours, then you can make an appointment to see me outside office hours, but it must be done 3 days in advance by e-mail. Cellular Phones: Cellular phones and/or beepers should be turned off or set to vibrate during the class period.

UTRGV Policy Statements

STUDENTS WITH DISABILITIES: Students with a documented disability (physical, psychological, learning, or other disability which affects academic performance) who would like to receive academic accommodations should contact Student Accessibility Services (SAS) as soon as possible to schedule an appointment to initiate services. Accommodations can be arranged through SAS at any time, but are not retroactive. Students who experience a broken bone, severe injury, or undergo surgery during the semester are eligible for temporary services.

Pregnancy, Pregnancy-related, and Parenting Accommodations
Title IX of the Education Amendments of 1972 prohibits sex discrimination, which includes discrimination based on pregnancy, marital status, or parental status. Students seeking accommodations related to pregnancy, pregnancy-related condition, or parenting (reasonably immediate postpartum period) are encouraged to contact Student Accessibility Services for additional information and to request accommodations.
Student Accessibility Services:
Brownsville Campus: Student Accessibility Services is located in 1.107 in the Music and Learning Center building (BMSLC) and can be contacted by phone at (956) 882-7374 or via email at ability@utrgv.edu.

Edinburg Campus: Student Accessibility Services is located in 108 University Center (EUCTR) and can be contacted by phone at (956) 665-7005 or via email at ability@utrgv.edu.

ATTENDANCE:
Students are expected to attend all scheduled classes and may be dropped from the course for excessive absences. UTRGV’s attendance policy excuses students from attending class if they are participating in officially sponsored university activities, such as athletics; for observance of religious holy days; or for military service. Students should contact the instructor in advance of the excused absence and arrange to make up missed work or examinations.

SCHOLASTIC DISHONESTY:
As members of a community dedicated to Honesty, Integrity and Respect, students are reminded that those who engage in scholastic dishonesty are subject to disciplinary penalties, including the possibility of failure in the course and expulsion from the University. Scholastic dishonesty includes but is not limited to: cheating, plagiarism (including self-plagiarism), and collusion; submission for credit of any work or materials that are attributable in whole or in part to another person; taking an examination for another person; any act designed to give unfair advantage to a student; or the attempt to commit such acts. Since scholastic dishonesty harms the individual, all students and the integrity of the University, policies on scholastic dishonesty will be strictly enforced (Board of Regents Rules and Regulations and UTRGV Academic Integrity Guidelines). All scholastic dishonesty incidents will be reported to Student Rights and Responsibilities.

SEXUAL MISCONDUCT AND MANDATORY REPORTING:
In accordance with UT System regulations, your instructor is a “Responsible Employee” for reporting purposes under Title IX regulations and so must report to the Office of Institutional Equity & Diversity (oie@utrgv.edu) any instance, occurring during a student’s time in college, of sexual misconduct, which includes sexual assault, stalking, dating violence, domestic violence, and sexual harassment, about which she/he becomes aware during this course through writing, discussion, or personal disclosure. More information can be found at www.utrgv.edu/equity, including confidential resources available on campus. The faculty and staff of UTRGV actively strive to provide a learning, working, and living environment that promotes personal integrity, civility, and mutual respect that is free from sexual misconduct, discrimination, and all forms of violence. If students, faculty, or staff would like confidential assistance, or have questions, they can contact OVAVP (Office for Victim Advocacy & Violence Prevention) at 665-8287, 882-8282, or OVAVP@utrgv.edu.

COURSE DROPS:
According to UTRGV policy, students may drop any class without penalty earning a grade of DR until the official drop date. Following that date, students must be assigned a letter grade and can no longer drop the class. Students considering dropping the class should be aware of the “3-peat rule” and the “6-drop” rule so they can recognize how dropped classes may affect their academic success. The 6-drop rule refers to Texas law that dictates that undergraduate students may not drop more than six courses during their undergraduate career. Courses dropped at other Texas public higher education institutions will count toward the six-course drop limit. The 3-peat rule refers to additional fees charged to students who take the same class for the third time.

STUDENT SERVICES:
Students who demonstrate financial need have a variety of options when it comes to paying for college costs, such as scholarships, grants, loans and work-study. Students should visit the Students Services Center (U Central) for additional information. U Central is located in BMAIN 1.100 (Brownsville) or ESSBL 1.145 (Edinburg) or can be reached by email (ucentral@utrgv.edu) or telephone: (888) 882-4026. In addition to financial aid, U Central can assist students with registration and admissions.

Students seeking academic help in their studies can use university resources in addition to an instructor's office hours. University Resources include the Advising Center, Career Center, Counseling Center, Learning Center, and Writing Center. The centers provide services such as tutoring, writing help, critical thinking, study skills, degree planning, and student employment. Locations are:
